

Behaviour - Traffic Lights

At the Academy we use a 'Traffic Light' system to warn children if their behaviour is not of the acceptable standard. The aim is for the children to stay in green. The totals below show how many children have achieved this each week.

This week 350 children have stayed in Green.

Well done!

Year 6 have been busy beavering away this week, writing their own reports ready for you all to read. We have had lots of giggles reflecting on what has been an amazing year!

In Year 3 and 4 we have been practising our throwing and catching with Coach James, practising our rugby skills with the KR coach and we've had sports day! We have also been looking at finding tenths of numbers and continuing to write our reports in our neatest handwriting for you to read very soon.

This week Year 2 have had a wonderful time at KS1 sports day. The children were all resilient and tried their best in each and every event. There has never been so many stickers given out!

Year 4 have absolutely loved being outside doing Sports Day this week and working as part of a team. We showed great determination and resilience.

This week F2 have been learning a new story- 'Oliver's Vegetables'. We have enjoyed writing sentences and thinking about what makes a good sentence! In our number work we have been counting in 2s, 5s, and 10s and writing our own number lines

Year 1 Johnson have been adding prefixes to words to change the meaning. For example, kind to unkind. We have enjoyed writing our own sentences using these new words.

We also thoroughly enjoyed sports day this week. Thank you to all our parents who supported us – we hope you enjoyed it as much as we did!

Year 3 have enjoyed Sports Day this week, practising different skills on each activity.

This week F1 have enjoyed sports day. Thank you to all the parents/carers for supporting the event. The children thoroughly enjoyed the experience.

Social Media

Please make sure that any Sports Day photos that go onto social media are cropped and only shared with people you know and trust.

Also, the academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation

Year 1/2 have been working hard on spelling and punctuation this week, its hard work but we're getting there! We have been learning the rules of benchball in PE and we are getting better at catching.

We all had great fun on Sports Day!

If you have any questions or concerns please speak to a member of staff on the yard before or after school.

If you wish to speak to your child's teacher please book an appointment at the office.

Mrs T Adamson is the first port of call for any queries around behaviour, attendance and lunchtimes.

Mrs Johnson is the first port of call for any queries around emotional well-being.

Mr Irving and Mrs Midgley-Wright are also normally available at the beginning or end of the day for any other questions, concerns or if Mrs Adamson or Mrs Johnson are unavailable.
