

# How can I cope positively with change? (PSHE Y3 – Changing me)

## What I can remember

Know there are different types of touch and that some are acceptable and some are unacceptable

Can say what types of touch they find comfortable/uncomfortable

## Big Ws: Family Stereotypes

### Stereotypical

When a behaviour or appearance is assumed to always be true

### Task

A piece of work that is your job to do

### Role

The expected social behaviour of an individual

### Challenge

To question an idea

## Big Ws: Body Changes inside and outside

### Puberty

- Changes that will gradually change a child's body into an adult's body

### Sperm

- Made in a boy's testicles which can be released through the penis

Sperm can be released through the penis

The testicles grow and start to make sperm which are tiny seeds that are needed to start a baby growing

### Ovaries

- Where hundreds of tiny eggs are stored and released one at a time each month

The ovaries store hundreds of tiny eggs and during puberty they start to release them, one at a time each month

Vagina

## Vocabulary

### Survive

To remain alive

### Womb

Baby grows inside the mother's womb/uterus

### Affection

A tender feeling towards another

### Care

To be concerned or interested about
